## RECYCLING SERVICES

Please call our office at **770.474.9273** and we will schedule a 65 gallon cart to be delivered. If you currently have an 18 gallon bin, we will remove it when we deliver the 65 gallon cart.

The larger container will allow you to be more effective in your recycling efforts. By having a larger cart you will be able to place three times as many recyclable items out for weekly pickup.

Please be advised that there will be no changes to your service. Your service day will remain the same. Remember to always place your carts out the night before service.

### The Following are Acceptable Recyclable Items:

Steel (tin) cans, (no metal hangers), aluminum cans, foil, pie pans

#1 and #2 plastic, including bags, containers and bottles. The type of plastic is indicated by the number inside the small triangle on the container.

Glass bottles and jars — amber, green or clear

*(PLEASE RINSE OUT ALL BOTTLES)*

Cardboard, cereal boxes and any non-waxed paper containers

***(PLEASE REMOVE NON-CARDBOARD PACKING MATERIALS SUCH AS STYROFOAM AND TAPE)***

Brown paper grocery bags, newspapers, magazines, telephone books, office paper, junk mail
