In April 2016, residents of Fairburn received a letter from **Service Line Warranties of America** with regards to providing protection on their water lines in the event of a possible failure. The letter incorrectly states, "Fairburn City Council **fully supports** the SLWA Service Line Warranty Program". Fairburn Mayor and City Council would like to clear up any misunderstanding or confusion regarding this matter. We do not endorse the program and would like to apologize to you, our residents, for any confusion and inconvenience the misunderstanding may have caused.
