

TIP YOUR HAT TO FAIRBURN

2015 Fairburn Fall Festival

From the Office of the Mayor

To the Residents of the City of Fairburn:

As we enter this stage in our government's existence, I ask everyone not only participate in the election process, but take responsibility to ensure nothing hinders the massive growth, success and prosperity in our City as we continue the economic development that will allow us the make a mark in this region that will be talked about for decades to come.

On October 3, 2015 we will welcome over forty elected and appointed officials to our city during the Fairburn Fall Festival. It is my goal to

display southern hospitality and simultaneously exhibit the massive economic development successes achieved by Mayor, Council and staff working together the last 5½ years. Please invite your family and friends.

The festivities will start with an Airshow promptly at 9:30a.m. We anticipate over 18,000 will be in attendance. During an event like this, my vision "One Fairburn One Family" can be experienced by all. I'm asking everyone to assist our city staff by volunteering your time to ensure our youth see

visible proof of our commitment to excellence.

Let me close by thanking all business owners, residents, non-profit organizations, families and friends in advance for what will be a turning point for the City of Fairburn. My sincere hope is for Lt. Governor Casey Cagle, Congressman David Scott, all legislative, judicial and executive leaders to experience the atmosphere of real prosperity and love in Fairburn

Sincerely,
