

# Making a Home Fire Escape Plan

This home fire escape plan flyer was developed to be used by both adults and children. This piece uses many illustrations and easy-to-read language to teach people about home fire escape plans.  
Make copies to hand out to residents.

# Plan Your Home Fire Escape

**Draw a map of your home.  
Include all windows and doors.**

**Find two ways out of every room.**

**Make sure you can use  
all your ways out.**

**Make sure your doors and windows  
are not blocked by furniture.**

— Keeping Your Community Safe with Home Fire Escape Drills —

# Plan Your Home Fire Escape

**Choose an outside meeting place in front of your home.**

**Go over your plan with everyone in your home.**

**Plan to assist anyone who needs help getting outside.**

**Test your smoke alarms to be sure they are working.**
