

Don't Flush Your Money Down the Drain!

TOILET REBATE PROGRAM

Single-Family Program

1.1gpf or lower – \$75 rebate

Toilet Rebate Eligibility Checklist (ALL must apply):

- ✓ Water provider must participate in the rebate program.
- ✓ Resident must live in a single-family residential home built in 1993 or earlier.
- ✓ Resident must pay water bill directly to water provider (HOA or condo associations are not eligible).
- ✓ Must install a WaterSense ultra high efficient toilet (UHET)

Multi-Family Program

Property owners and landlords may be eligible to participate in the Multi-Family Program

Properties Include: apartments, condominiums, townhome communities

Toilet Rebate Eligibility Checklist (ALL must apply):

- ✓ Water provider must participate in the rebate program.
- ✓ Property must be built in 1993 or earlier and contain older toilets using 3.5 gallons per flush (gpf) or more.
- ✓ Property must have a master-meter residential account.
- ✓ Property can only receive one rebate for the life of the program.
- ✓ *After application approval, the Metro Water District will contact property owner directly on their toilet purchase.*

**Please note that dual flush toilets that are 1.1/1.6gpf do not qualify*
