Lightning Community

Redevelopment Study

The GICH Team is currently serving as an advisory group for the redevelopment study process

Goal of the study:

To create a strategic plan for the community, based on a community-based vision.

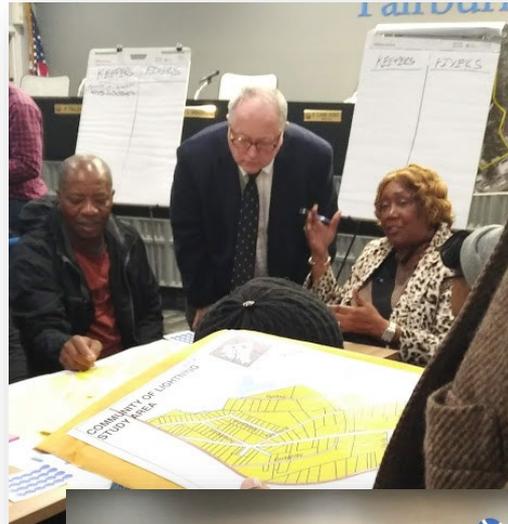

Lightning Community

Redevelopment Study

Since September 2018, the redevelopment study has completed:

- ❖ 3 public engagement meetings
- ❖ Traffic Study
- ❖ Preliminary Strategic Plan Report

The study is anticipated to conclude in March 2019

Lightning Community
